## **Bubbles, Bubbles, Everywhere in Prep B!**

In Prep, we engage the children in writing by sharing an experience. Then we talk about it and write about it. On this day, we learnt about what 'Self-control' means. We had bubbles floating all around us. First, we had to try really hard not to pop the bubbles by using our self-control.

Then we were allowed to run around after the bubbles and pop them. We had lots of fun!

This was one of the children's first attempts at writing. Some children wrote the alphabet, some strings of letters and some numbers; but most had a go!

In Prep we have a real focus on 'never giving up' and 'doing our best.!'

I am so proud of the children's efforts!
