## *Principal's & Assistant Principal's Report...*

Welcome back to another great term everyone!!

I know we will all learn lots and have some fun too!

### Athletics Day Tomorrow

We'd love to see lots of parents/carers down their cheering on and encouraging the children. Please make sure your child has appropriate attire for the day. The forecast is partly cloudy, 15 degrees, so it will be a little chilly. They will need a jumper to wear in between events and of course if possible, dress in house colours. **Lunch this year will be a BBQ.** Students should have put their orders in. If not, they'll need a packed lunch. Sausages and Hamburgers are available for parents/carers to purchase at the canteen along with drinks and muffins.

We also have students from Merbein P-12 College making delicious espresso coffees, look out for them! Be careful not to eat too much though parents, as we are having a student/parent/teacher relay, to conclude the day. So make sure you pack your runners just in case you get tapped on the shoulder.

We have attached the timetable and map to assist you in planning your day.

### Special Athletics Presentation at the next Assembly

Next Friday the 22<sup>nd</sup>, we will be holding a special presentation assembly to award the Age Group Champions their medals. Students will find out at the end of Athletics Day on Friday who are the champions. These students will receive an invitation note to give to parents for the assembly. This will also be another chance for the winning house to sing their song and bathe in the spoils of victory! All welcome.

*Important Information regarding mid-year Reports and Three Way Conferences over the page...*

## Assessment & Reporting

Written Reports will be sent home on Tuesday 26<sup>th</sup> July

Three-Way Conferences will take place on Wednesday July 27<sup>th</sup> and Thursday 28<sup>th</sup> July

### General Outline of the Three-Way Conference

1. Students share their achievements. Parents /carers, students and teachers will look at samples of student learning.
2. Teachers discuss student's learning
3. Parents / carers comment and ask questions

### How to Make a Time

To make a time, please go to Compass and select a time or contact the office and make one.  
(Compass log-in details on the next page)

**Note:** If these times do not suit, please contact your child's teachers and make alternative arrangements

### Grade 5 and 6 (Project Based Learning) P.B.L.

This week our Grade 5 and 6 students were straight back into creating their PBL websites.

The two questions they are seeking to explore are:

1. *What is the significance of the Olympics?*
2. *What makes a successful team?*

The students are creating their websites to demonstrate their learning. This is also part of their homework.
