**Tomorrow is the last day of Term 2 –
Early dismissal 2:15pm**

G4/5/6 PBL – The Invention Convention

The Invention Convention on Friday was simply superb! We were very, very proud of all the students. Their inventions were simply amazing! It is this sort of creative thinking that will take us into a future that many of us cannot even imagine! Thank you so much to all of our carers, friends and families for coming to the Convention. I know that every student demonstrated our school values throughout the process of this P.B.L.

Three Way Conferences

It is wonderful to see so many of our parents/Carers at the conferences yesterday. Your child's education is one of the most important gifts we can give them. It is vital that we come together to discuss their learning, their goals, their challenges and most importantly, their celebrations. At this stage we have 90% of our parents/carers who have attended or have made an appointment for this evening. This is a terrific outcome. If you have not yet made an appointment, please do so.

Please have a happy holiday – enjoy your children.

WORD AT WEST

Kelsy Smith P1P

What are you looking forward to in the holidays? - I am looking forward to going to my Aunty's house and going to Adelaide. We get to go to the beach!

Tamia Rodd 4AT

What are you looking forward to in the holidays? Going to Broome to my Aunty's wedding.

Caleb Kemp P1M

What are you looking forward to in the holidays? I am looking forward to going to the park and spending time with my brother!

Harry Robertson 4AL

What are you looking forward to in the holidays? I am looking forward to going to my cousin's party and playing on the jumping castle.

Mildura West Primary School Statement of Values

EVERYONE HAS A RESPONSIBILITY TO MAKE OUR SCHOOL HEALTHY, GREAT AND RESPECTFUL

Mildura West Primary School recognises the importance of the partnership between schools, parents and carers, to support student's learning, engagement and wellbeing. We share a commitment to, and a responsibility for, ensuring inclusive, safe and orderly environments for children and young people.

This Statement of Values (included in this newsletter) sets out our behavioural expectations of all members in this school community, including the principal, all school staff, parents and carers, students and visitors. It respects the diversity of individuals in our school community and addresses the shared responsibilities of all members in building safe and respectful school communities.

Re-vegetation Student Action Team 5OH

Last week 5OH capably represented our school re-vegetating Johnson's Bend. The areas planted have had issues such as off road driving, campfires and vandalism. 5OH was greeted by Nadia, Tina and Jo from MRCC and willingly undertook the task to plant 130 trees. The survival rate we are hoping will be quite high as the 5OH team are experienced when it comes to tree planting. Johnson's Bend is a great place to visit, even better now! There is a walking/bike track that goes all the way to Merbein.

Forensic Science Year 4

As we approach the holidays it is a timely reminder to be safe and wear helmets when riding. Joe Clarke, Police Officer, has been showing our Year 4's the importance of wearing a helmet. From a forensic viewpoint, after an accident it can be determined if the helmet has been worn correctly. The students made a helmet to protect an egg – the egg symbolic of the head. There were some interesting results when the 'helmet' was dropped!

**Rubbish Free
Winner: 3M
Congratulations**

It's that time of year again, when the students are wearing their jumpers to school when it is cold in the morning and then take them off as the day warms up. There is a lot of items in our lost property box at the moment. If your child has lost an item of clothing please come on in and check the box. It is really important that all items of clothing are clearly labelled as this ensures it can be returned.

RED FOOD DAY

Unfortunately due to a supplier shortage we cannot supply LOL Tropical & Razzberry drink tomorrow.

We are able to offer instead Apple and Raspberry Quelch fizzy drink.

If the Quelch Apple and Raspberry fizzy drink is not suitable please contact the canteen for other options.
