

Welcome to 1/2H!

Mrs Holland

We have had a great two weeks of getting to know each other and making new friends! We are very lucky to have two new students to Mildura West in our class, and our returning students should be very proud of how caring they have been in making sure that they are very welcome. In only a short time we have been very busy! The students have enjoyed our teamwork challenges, library visit, and reading with our senior unit buddies. They have been demonstrating our class motto of 'Mistakes are proof we are trying', and it is pleasing to see students 'Have a go!'. I can tell it is going to be a great year of learning. Please pop in and see the great work on display in our classroom. It looks terrific! I am always keen to catch up with parents and carers. Please email or come into the classroom before or after school.

1/2H very proud of their 'Who Am I?' writing display.

Learning Together

The Lego Challenge

The Marshmallow Challenge

Reading with our senior buddies

Enjoying our picture story books
