

# 2018 in 5C

Hello Parents and Carers of 5C students,

My name is Sarah Crisp and I am very excited about the year we have ahead of us. I'm certain your children are going to learn a lot and have a lot of fun doing it. This is my third year teaching at Mildura West Primary, before that I taught at a lot of other schools in short-term roles. I love it here, it feels like home, like where I'm meant to be. My two youngest children also go to school here, Oscar is in Grade 6 and Shelby is in Grade 1.

This year I will focus on supporting your children in preparing for next year, when they will be leaders of the school. Part of this preparation will be learning to work collaboratively, taking on more responsibility, and becoming brave problem-solvers.

Later this term we are going to have a blast at our Lake Cullulleraine camp. We will also have Interschool Sports, Sustainability Excursions, Athletics Day and the big School Concert later in the year.

So far this year we have been focusing on learning collaboratively and building a caring classroom community. Here are some things that the students have discovered;
