I like reading on the couch.

Hi families of 1N,  
Our first few weeks this year have been so much fun! We have been getting to know each other by playing lots of games! We have also been practising our communication skills in different ways.

## This is our Grade 1 Essential Agreement.

Last week we read a great book called "Be You" by Peter H Reynolds.

The students then worked in groups to decide on the most important 'ways to be' in Grade 1. Then we shared as a big group.

After that, everyone got to pick their favourite ideas.

These are our top 6!

We refer to this agreement daily and use it to reflect on how we treat each other and ourselves.

**IN Environmental Leaders.**

Our class has discussed who may like to be a leader in our classroom as well as represent our class with other leaders.

Students then decided if they would like this role and we voted depending on this.

Well done to Jett Kozak and Indigo Morris who were elected our IN Environmental Leaders for 2021.
