

Grandparents and Special Friends Day

Last Friday, the Prep children invited their grandparents and special friends along to school for a morning of sharing and fun. This was a celebration of our Unit of Inquiry, "How We Express Ourselves." The Prep students performed an amazing dance and sang beautifully at assembly. Then we returned to the classroom, read a story and talked about our memories. We concluded our time together sharing morning tea and looking at the collages of grandparents that our students created. It was wonderful to see so many special guests and Prep students enjoying spending time together.
